508-50-001

30 x 30 - 28 H  
Carleton

Extensive carvings and pattern-matched veneer tops with crotch mahogany and mappa burl veneers are hallmarks of the Carleton table group.

This chairside table is a great companion to our 508-80 living room table group. It features a rich European traditional style with beautiful marble top, marquetry table apron, and turned posts above a carved base with bun feet to create the look of a costly European antique.
