 Rub-Thru; Light Physical
 Distressing

Hardwood Solids with
 Cherry Veneers

When you make the significant investment required for a plasma television, why not place it on one of these great consoles? The left door features interchangeable wood/glass panels and opens to reveal two adjustable shelves for components. The right door opens to provide access to an adjustable shelf and a pull-out shelf for DVDs, CDs, and VHS (including Disney) and audio tapes. Levelers. Takes most 32" to 42" monitors.
